## Welcome to Captain John Palliser!

You are invited to join us for a question and answer session regarding information and learning about the Community and Montessori programs at Captain John Palliser (CJP). This session is intended for parents.

Please join us in the gymnasium where teachers and school leaders answer questions about our school. Also, learn what makes CJP a great school to attend for all our Community and Montessori students.

We look forward to meeting you at 6:30 pm on Thursday, January 22 to:

- share more about CJP, and clarify questions about the community and Montessori programs, Kindergarten – Grade 6
- have an opportunity to get your questions answered

With the information from the PowerPoint available on our website and this question and answer opportunity, we hope you are able to make a well-informed decision about where your child should attend school in the 2026-2027 school year.

Registration for 2026-2027 will be open on January 12, 2026 and will be done electronically through either:

- [School Engage](#) (for legal guardians / parents new to CBE) or
- [MyCBE](#) (for legal guardians with one or more children already registered in CBE)

For registration process information, please access the following page:
