

Learn it the easy way, or the hard way!

“Cross when its
green, not in-
between”

A message from Leadership

What is Jaywalking?

Jaywalking-when people don't use the crosswalk and don't pay attention to traffic

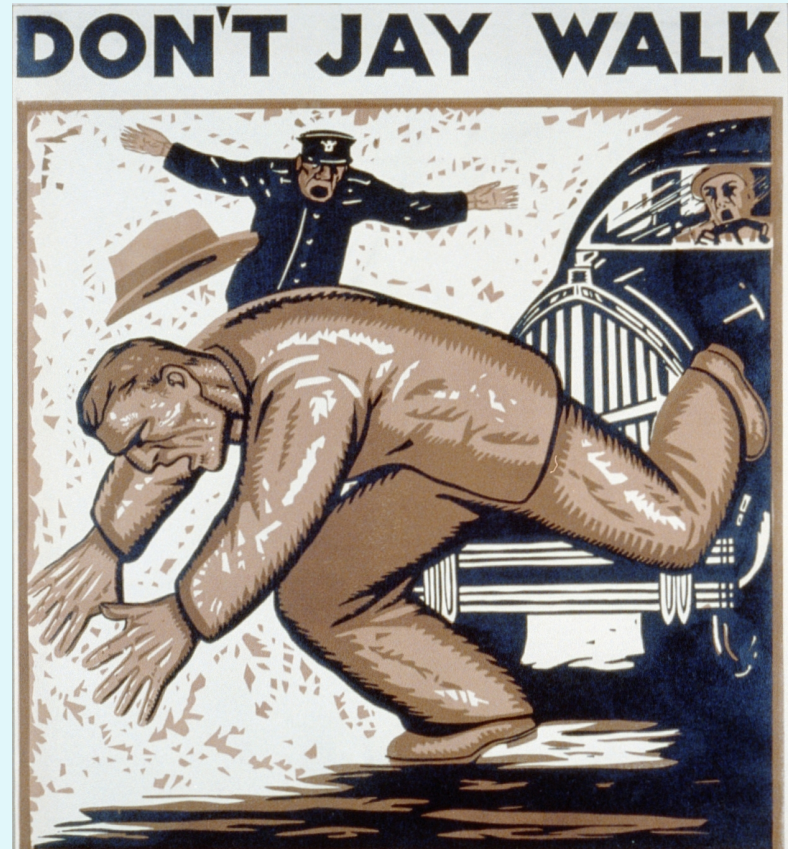

Jaywalking Fatality Chart

Year	Number of Jaywalking Summonses	Number of Pedestrian Deaths
2009	725	7
2010	856	6
2011	940	6
2012	622	11
2013	355	9

This information comes from the Calgary police service

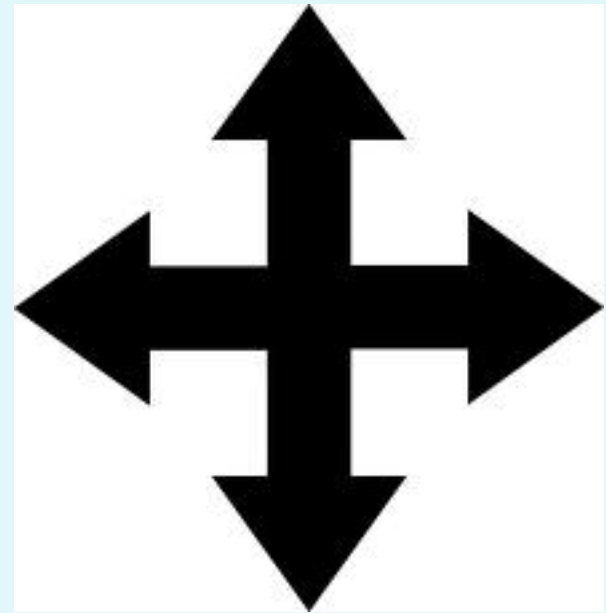

Safety Rules

The next few slides will give you tips about how to stay safe.

Look all 4 ways before crossing

When crossing the cross-walks, look to your left, right, forward, and behind to ensure there are no cars.

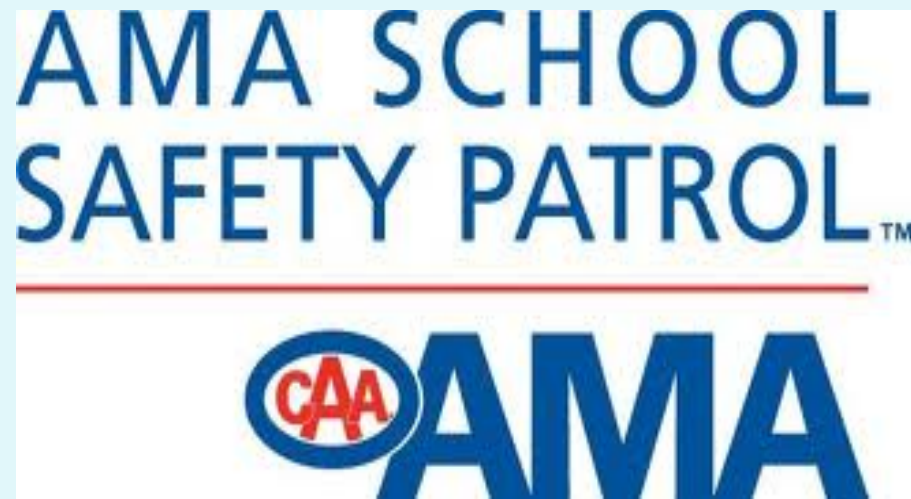

Use the Crosswalks

There are 2 crosswalks located very close to the school.

Respect Patrollers

The patrollers are only there to protect you!

Inform Your Parents

Tell your parents it is unsafe to jaywalk
and it is also illegal!!!!!!!!!!!!!!!!!!!!!!

Thank you for listening and staying safe!

Remember NO JAYWALKING!
